## Administrator's Message

MAPS testing has started for our second through eighth grade students. Volleyball and soccer seasons are in full swing. Most classes have visited the library and some have gone on their first field trips of the year. Today, the Merrill High School band accompanied the cheer and football teams on a moving pep rally through our school. All around us, inside and out, learning is going on in traditional and varied ways!

## **Dress Code**

According to our dress code, students may wear shorts until November. If your child is wearing shorts (or girls wearing skirts) please remember that they must be fingertip length or longer. Students wearing shorter shorts will be given a pair of gym shorts or alternate clothing to wear, so be sure they are dressed appropriately when they leave your house each morning.

## MAPS Testing

MAPS Testing continues this week for all second through eighth grade students. Most testing will occur during their regularly scheduled computer times. Please be sure your child arrives at school on time daily after eating a healthy breakfast so they can focus and do their best on these tests.

It's not too early to begin thinking about the 2019 school yearbook. Order before Sept 30th and save 15% on each book ordered. See ordering information below.
