Administrator's Message

Above and Beyond! That's where each of you went who had your child at church to sing last Sunday. If this was your first visit to our church, we hope you found it a welcoming place and will return to worship with us. If you are a Trinity member, this was just the start of a year to worship every weekend and every special opportunity!

Updated

MAPS Testing Begins

This week, all second through eighth grade students will begin MAPS testing. MAPS tests are an important tool as they give teachers insight into a child's progress and specific areas of strength and areas where re-teaching is needed. Most testing will occur during their regularly scheduled computer times. Please be sure your child arrives at school on time daily after eating a healthy breakfast so they can focus and do their best on these tests.
