Administrator's Message

Parents, when you registered your child at Trinity, you promised "frequent and regular church attendance" as well as "participation in and support of school events". One opportunity to do this is when your child is scheduled to sing in church. We hope that nothing other than illness or a family emergency would keep you from having your children at any service at which their class or choir is singing. Thank you to those of you who have been faithfully doing this, and we encourage everyone to do the same.

It is time to enroll for the 2019-2020 school year.

SHIRTS & BAGS NEEDED!

Does anyone have used tank tops (printed or solid) the school can use for a service project? We would like to make some tote bags for Orphan Grain Train.

Needed also are plastic bags from stores to cut up and make mats to use in countries where people need something to sleep on.

Both items can be brought to the school and boxes will be placed by the office. We will be doing this project on February 5th and for an elective class starting next week.

Thank you so much,
Mrs. Eckert
Mrs. Gustafson

Chapel Offerings

Jesus call us to "Make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you." (Matthew 28:19-20a) But if we aren't able to travel overseas how do we accomplish this? The answer: support those who are already overseas working to proclaim the Good News of Jesus Christ to those who do not know. One way to give this support is through our prayers. But another way is through the monthly chapel offerings. This school year there are 5 different types of Lutheran ministries that you and your child have the opportunity to support in spreading the Good News of Jesus Christ to those around us AND to those overseas. **A blue offering envelope is sent home with every child every week. Please return these on our chapel days.** If you forget please turn them into the office.

Let's share the blessing of Jesus and His love and forgiveness to everyone we meet in our daily life as well as through missions overseas! Please keep all these Lutheran ministries in prayer.

Our Teachers Through the Eyes of Our Students, Part 2

In an effort to help all of you become more acquainted with all our teachers and staff, we are presenting weekly descriptions written by the students themselves. This week, meet Miss Filter, 4K Teacher, and Mrs. Waldburger, Seventh Grade Homeroom teacher.

Miss Filter
4K Teacher

Miss Filter's four year old students say:

- Drawing pictures for her makes her happy.
- I like circle time with her.
- I like it when she reads to us.
- I like it when she plays.
- I like it when she gave us Christmas presents.

Mrs. Waldburger
Seventh Grade Homeroom

Seventh grade students say...

- She plays handbells.
- She is married.
- She's really nice and an amazing artist.
- She has two cats, Blue and North.
- She loves to read.
- Her music classes have fun projects like making your own STOMP production.

A few of Mrs. Waldburger's students wrote narratives that describe her in greater detail. Here are a few samples:

- What you might not know about her is that she likes rubber ducks, cows, Spiderman, soup, handbells, art, reading, and all sorts of other stuff. She is really fun, and puts a smile on my face when I'm sad, and she helps in bad situations. (But even though she teaches English, she can't spell very well, and she even said that.)
- What I like is that she is very nice and knows each of her students well. She knows what we struggle in and what we exceed at.
- You might not know this, but my teachers loves Robin Hood. My teacher draws really good pictures on the whiteboard and everyone starts at the picture in awe and asks, "How did you do that" And then Mrs. Waldburger answers, "I have had a lot of practice."
- What I like most about my teacher is I can trust her and she is a very good teacher.
