## **Administrator's Message**

October provides us a perfect month for learning. Students and teachers alike are in well-established routines, and this year, with no days off, holds 23 solid school days. Volleyball and soccer teams continue to represent our school well, with our first pep assembly held on Tuesday. Bus safety has taken place, photographs will be taken Monday, and fire safety will be held next week. Many classes have taken their first field trips, while others anticipate them in the near future. Every day is a new adventure in learning at Trinity!
