Administrator's Message

We eased into this week with our first weather delay of the winter. You can find this type of weather related event on our Facebook page, as well as a FastDirect notification. When MAPS cancels or delays school for weather reasons, it will be broadcast on local channels 7, 9, and 12, and we cancel if they do. Our day care opens at 6:00 a.m. daily and will take students who are registered on delay and snow days. Hopefully we won't have many of these days this winter, but it's good to be prepared.
