Principal's Message

He is risen! He is risen indeed, Hallelujah! What joy those words bring to us – enough to help us find peace and joy even when we're re-adjusting to the routine of school, traveling through the crazy ups and downs of Wisconsin's spring weather, or just negotiating the challenges of day to day life. Because He lives, we live joyful and productive lives.

Happy Easter!

Our mission at Trinity Lutheran School is to lead God's children into a closer relationship with

Jesus Christ and educate them from a scriptural point of view.

(See back for more news...)

Thank you to everyone who baked items and an even **bigger thank you** to everyone who purchased something or donated at the 8th grade bake sales over the Lenten Season. We really appreciate your support. We are getting very excited about our upcoming eighth grade trip in May! We would also like to take this time to thank each and every one of you who have supported us over the last two plus years as we have reached for this huge goal, for without your support we would not have been able to achieve success. We would also like to thank our parents, for without their hard work we certainly would not be walking this path and we are grateful for the gifts they have given to us. It has been a lot of fun, thanks again!

YOUTH INVITED TO WRITE "NEVER" POEMS

In celebration of National Poetry Month, students in grades 3 – 12 are invited to write a "Never" poem, consisting of at least eight lines and using alliteration (repetition of beginning consonant sounds.) Entries may be displayed at the T. B. Scott Free Library with author approval. Using appropriate language, budding poets may write on topics, such as things you would never do, places you would never go, things you would never eat, or things you would never buy.

Poems must be submitted to T. B. Scott Free Library Youth Services by Sunday, April 24. All writers, with appropriate entries, will be entered in a drawing for local business gift cards. For more information, contact the library at [715-536-7191](tel:715-536-7191).

Do you love working with children? Do you have a few hours to spare every now and then? Trinity School and Preschool are looking for substitute aides. No training necessary, just a love for children. If you are interested in substituting on an as needed basis, please call Karli or Kathy at school at 715-536-7501.
