Administrator's Message

Spring is here! Despite all our snow, it's easy to see that spring has arrived just by looking at the school calendar of events. This is such a busy time of year, with many field trips and other activities. Please be sure to check backpacks and ask your children every day for any items they may be bringing home. It's also easy to get so busy that homework gets forgotten, so with your child, review their planner every evening. Stay in touch with the school and your child's teacher through FastDirect, or call with any questions.
