

A Big Thank You

Thank you to all of the generous individuals that have given their time and talents to Trinity School this past year. We cannot thank you enough for giving us the most valuable gift you can give... The gift of your "TIME".

We also would like to thank all of the families and children who gave us Christmas gifts this season. Your generosity is very appreciated. We also would like to thank the parents of our students for allowing us the opportunity to share in the joy of watching your children grow in their academics and in their faith each day.

May God bless you richly at Christmas and Always. Merry Christmas and Happy New Year!

Hunter's Safety Program

The Lincoln County sports Club has established a telephone contact line for the 2014 Hunter Safety Program. If you have a student that wants to take hunter safety in calendar year 2014, please call (715) 921-4974. Just leave the name of the student(s) and a telephone number where you can be reached. You will be contacted as to when and where to register for the class. To take hunter safety the student should be at least 12 years of age or turn 12 during the calendar year of 2014. We anticipate starting the classes by mid to late January 2014. Thank You.

Your gift can help!!

If you are thinking about making some sort of a donation to help others this holiday season... Why not think about helping someone right here in our school and church. Make a donation to our Scholarship/Tuition Fund to help families who might be having a tough time making ends meet during the holidays. Another option is making a donation to our Technology fund. Computers and smart boards are constantly in need of maintenance, bulbs and updating. Your donation can help others plus it really makes you feel good to be able to make a difference in the life of her. Contact Mrs. Grenfell in the office if you're rested in making a donation and for other giving ideas. Thank You!
