TUITION RECEIPT FOR TAXES

Parents, now that tuition is logged in FastDirect, you can print your own end-of-year tuition receipts for your taxes.

Log into FastDirect. Scroll down to just above the lunch preorder section and you will find a button labeled *Tax Year Printout*. Change the year to 2016 and click the button. Your printout will show both lunch and tuition payments.

Since 2015 tuition payments were not logged in FastDirect, you will be able to use your hand-written receipts. If you need a list of 2015 payments from me, call or email me in the office. Please give me at least 24 hours notice to prepare it, and then I can email it or send it home with your child. Thank you so much!
