Principal’s Message

Are you always rushing to meet deadlines? Do you procrastinate until the last minute, or beyond, to pay bills, respond to RSVPs, or complete assigned tasks? One area you won’t want to wait for this year is submitting your registration paperwork for 2014-15. Our class size limits are 22 in kindergarten through third grade, and 25 in fourth through eighth. We are experiencing a very heavy amount of early interest and registration, and we want to welcome all our existing families back next year. So, please fill out your paperwork, along with a check for the first month’s tuition, and return it to school as soon as possible!
