

February 25

Greetings, Families,

Lutheran Schools Week is coming March 1-5! Our theme is "Sent to Serve" and we have a full week of activities, beginning with our "Cent to Serve" campaign to raise funds for the MAC home (Merrill's homeless shelter, located just down the street from us). Students should bring in coins all week and help the total grow to an impressive amount to give away. Other special events during the week include:

Monday – "Jesus – Sent to Serve" Wear your Trinity or other Christian apparel. Each class will select a service project to complete throughout this week. Your child's teacher will have more specifics if needed.

Tuesday – "Pastors and Teachers – Sent to Serve" Dress like a teacher or pastor. Projects will focus on service to our church and school today.

Wednesday – "Serving Together on God's Team" – Wear your favorite team's jersey (Go, Pack, Go!) Instead of 10:30 church, the Trinity and St. John's pastors will lead us in chapel at 8:10, live on our Facebook page.

Thursday – "Serving in Home and Community" Dress like a hero today. This could be a fictional superhero or an everyday hero such as a soldier or nurse. Each class will participate in a mystery Zoom with a corresponding class from St. John.

Friday – "Sent to Serve in the World" Neon Glow Day – glow sticks provided, but dress in your brightest neon attire. Classes will participate in Zoom Jesus Bingo games. We will have a special ice cream celebration to culminate our Cent to Serve challenge.

We are looking forward to an exciting week celebrating our Lutheran School!

Do you love your child's teacher? Would you like to express your appreciation? Remember that you can send your nomination for "Today's Teacher" to WAOW, Channel 9. Check out their web page or send nominations directly to teachers@waow.com.

There will be buses running on Thursday, March 8. If you have indicated you need busing on MAPS no school days, you do not need to do anything.

Spring school pictures will be taken on March 16. Order forms have been sent out via FastDirect.

Please remember that there is no school tomorrow. See you all Monday at the start of our Lutheran Schools Week!

Blessings,

Kathy Yahr
School Administrator
