The Trinity Student Council is participating in Project Linus, an organization that provides handmade blankets for ill and traumatized children and teens. The Student Council is in need of cash donations or donations of fleece to make "no-sew" blankets. Donations can be dropped off at the school or church offices. Thank You!!

A Valentines Day...

Parents Night Out February 14, 2014 6:00-9:30 PM

The Student Council along with some Adult Volunteers are offering you a night out with your sweetheart on Valentines Day. The Student Council and volunteers will be here to supervise your 3 year old (must be potty trained) through 5th grade student so you can enjoy an evening out - \$5.00 per child includes dinner, games and a movie. Watch for more information and sign up opportunities in the future.

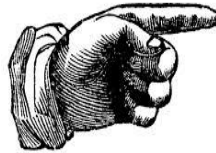

Snow and Icicles

Parents, please alert your children to use extreme caution around overhead snow and icicles. Children have been observed knocking large icicles off buildings, and this is a very dangerous activity. In addition to the danger of the ice falling, a great deal of snow has accumulated on rooftops. Children could be buried by snow sliding off roofs. Talk with your children and make them aware of this additional danger to our cold, snowy winter.

Camp Luther

Camp Luther recently gave away two full scholarships to students from Trinity for one week of summer camp. If your child has never been to Camp Luther, they do offer scholarships, and more may be available. If you are interested, contact the school and we can research additional possibilities.

Sixth through twelfth graders, share the fun and adventures of four very different friends in a free Friday movie after school on February 7 at T. B. Scott Library. A great movie, snacks and a craft will all be featured from 3:15 to 5:15 in the library community room.

T. B. Scott Library cannot advertise the title, but the PG-13 movie is based on the first book in the Traveling Pants series by Ann Brashares. Bring along some of your own extra jeans and decorate them, if you'd like.

Call or stop in at T. B. Scott Library for more details.
