## Principal's

### Message

School Spirit Week broke right through the deep freeze we were in and warmed up our winter days! Whether we were cozy in our pajamas, busy decorating doors, or any of the other activities leading up to today's Spirit Assembly, it was a welcome break after the long indoor stretch of cold weather. As we take our break on Wednesday at the end of the semester, it's the perfect time to look back and see what has been accomplished this school year, as well as to set goals for the rest of the year. If this busy Spirit Week is any indication, we've had a busy, productive, and positive first half of the year, and we will look forward to what lies ahead.

## REMINDER:
