WVLHS News-

Give your old shoes a new life
... at Wisconsin Valley Lutheran High School

WVLHS is collecting gently used shoes that are worn, but not worn out and recycling them through the ShoeBox Recycling program.

Recycling shoes helps to do the following:

- Provide affordable shoes o those in need.
- Create micro-enterprises for individuals throughout the world.
- Keeps them out of the landfills, creating a cleaner, greener planet (over 300 million pairs of shoes are thrown into the trash each year).
- Helps the Valley earn \$.50 cents per pound.

We are currently collecting shoes of every size, shape, color, type, etc. Including sandals (except: ski boots, heavy winter boots, roller skates, roller blades, flip flops, single shoes and shoes that ae just plain worn out.) This is an ongoing fundraiser that we would like to keep open all year long, so send those shoes you no longer wear and remember **WORN DOES NOT MEAN WORN OUT!**
