Chapel Offering for April

Operation Starfish is the March and April offering. Offering boxes were sent home last week for this purpose. They will be collected at the last chapel in April. The goal of Operation Starfish is to remember Christ's sacrifice for us and to follow His example of caring for those in need. Through Food For the Poor, Operation Starfish is working to end the suffering of the poor in the Caribbean and Latin America. They provide lifesaving food for the starving, build small houses for the destitute, provide medicine and medical equipment for the sick, support orphanages and education for children. Please continue to add your daily change to the offering box your child brought home so we can help those less fortunate than ourselves. Just \$3.65 feeds one child for a month. More than 95% of all donations go directly to programs that help the poor.
