Church

Attendance

It is an expectation that each Trinity student attend church for every available worship opportunity at Trinity or your home church. Each week, teachers record church attendance, and show this on report cards each quarter. In the past, there have been discrepancies between what students report to us and what you, the parents, know to be true. For this reason, we are going to have a school wide system of reporting church attendance. Each student will have a quarterly form on which to record church attendance. For the younger students, this will be in their planners or take home folders. Please check your child's planner/take home folder for this. For older students, you might want to post it on your refrigerator or keep it in their planners. Fill it out weekly, and return it to school, either weekly in their planner/folder, or after the last Sunday of the quarter. For the third quarter of the school year, that date will be Monday, March 31.

Make Up Day

♥ February 21

School has been cancelled four times due to the excessively cold weather this winter. Our policy states that we will make up any days above three days missed. The Trinity School Board has decided that our make up day will be Friday, February 21. This may or may not be the day that the Merrill Area Public Schools select as a make up day, but the decision has been made to use this in-service day as a student day.

We will have a full day of school on February 21.
