

FRIDAY UPDATE

NOVEMBER 13, 2020

Happy Friday, Everyone!

On behalf of all of the teachers at Trinity, thank you for participating in virtual conferences this week. Although it's at a distance this year, we love partnering with you in your child's education and Christian growth.

There are several important dates and times to remember for next week.

1. The PTO Charleston Wrap fundraiser ends on Monday, so get your orders in over the weekend.
2. Our kindergarten class will lead chapel on Wednesday, so be sure to go to the school Facebook page at 8:10 for a wonderful and energetic start to your day. In the future, we will have all chapels on the school's Facebook page. Even if we use the church page due to technical issues, we will share it simultaneously with the school page.
3. Spiritwear orders are due on November 22, so get those in as this is the time to purchase Christmas gifts.

As you know, we check temperatures every morning before students exit cars. We could use a few more volunteers to help with this. We need someone to help on Wednesdays from now until after Christmas break, and on Fridays on an ongoing basis. If you are willing to spend twenty minutes each week helping, please let me know.

If you have a student in grades 6-8, watch for Youth updates from Miss Abby Currao, the DCE intern. They will have their Thanksgiving party next Wednesday immediately after school until 5:30. Miss Currao comes to school to walk the students over to the church for all afterschool middle school Youth events.

Please remember that there will be no buses running next Monday, November 16. We appreciate your commitment to getting your child to school each day, and give thanks daily that we can hold classes in person! God's blessings for a safe and restful weekend.

Kathy Yahr
School Administrator
