## Pick Up and Street Crossing

All students being picked up after school need to be picked up in back of the school. Please join the car line and wait for your child to be dismissed to you. If you are volunteering at school and have parked in the church parking lot, please use the crosswalk to return to your car. Crossing the street directly in front of the school where the busses are lined up is a very dangerous practice. We had a law enforcement officer stop a parent who was crossing in mid street at dismissal time, and while no citation was issued, this emphasized the importance of crossing at the crosswalk. Thank you for your compliance.

## God's Not Dead!

You may have seen the movie "God's Not Dead" and want to show it to friends and family. You may have missed it at the theater. We now have copies available for check out at school. Please call or see Ms. Yahr to check it out!
