Principal's Message

Wow, what a night at Victory Lane! Thank you to everyone who sold tickets, helped at the event, or came out to eat! We have been told that our Technology Fundraiser was the most successful ever held at Victory Lane. The totals are not yet in, but we raised well over \$1,000 which will be applied to our tech updates. We hope that everyone participating had a great time socializing with friends, family, and co-workers. If you didn't join us this time, be sure to look for more events in the future!

Thank You!

REMINDER...

NO SCHOOL

on Monday (Oct. 6)

Inservice Day for Teachers.

Change for Technology

Help Trinity Change our technology with your Change!

Each class room will have their own jar to fill. The Trinity grade school classes will be collecting change in a class room competition in an effort to fill a Large Change Box. The goal of the school is to have the large change box filled before the school carnival. The students will be able to view the large change box in the school daily, and watch as it fills throughout the school year. They will compete against each other for prizes. There will be announced collection dates and surprise collection dates for the school. So, beginning Tuesday October 7, be sure to send in whatever change (or dollars) you have available. All change collected will go towards updating and maintaining Trinity Technology.

TO ALL TRINITY SCHOOL PARENTS!!

As part of the National Lutheran School Accreditation process, we are asking for your input regarding school climate. Attached to this newsletter you will find a Parent Survey. Please read it, fill it out and return it to the school office by Wednesday, October 8, 2014. Only one survey needs to be filled out per family. Directions are on the top of the survey. Thank you in advance for your help in this process!!

Our mission at Trinity Lutheran School is to lead God's children into a closer relationship with

Jesus Christ and educate them from a scriptural point of view.
